Supported Independent Living (SIL) is also referred to as shared accommodation or group home accommodation. SIL is an NDIS support that you can receive, It's available 24 hours a day and can be shared with other housemates. It includes help with everyday tasks like cleaning, cooking and personal care.

William Campbell Foundation is a registered NDIS SIL provider. We complete a thorough compatibility process to ensure that everyone living in the same home will get along and it is the appropriate environment for helping Participants to achieve their goals and increase Independence.
